Juniper
 by HARLEQUIN

Juniper

Juniper is a charming range of fresh and airy prints, weaves, embroideries and wallcoverings, inspired by textile, wallpaper and ceramic designs of the 1930s and 1950s.

Juniper's stylised motifs and clever use of texture and colour result in an organic and relaxed design story, whilst natural fibres - linen, silk and cotton mixes - add to the vintage aura of the beautiful printed and woven fabric designs. A mix of embossed vinyl and non-woven wallcoverings completes the range, and serves to emphasise its drama and retro vibe.
